

NILE BASIN RESEARCH PROGRAMME

## Research collaboration across the Nile Basin

[www.nile.uib.no](http://www.nile.uib.no)

### Building a network of Nile Basin researchers

The Nile Basin Research Programme (NBRP) is a component of the Nile Basin Initiative seeking to enhance research through interaction and collaboration between researchers from the ten Nile Basin Countries. Based at the University of Bergen with regional office at Makerere University, organizes multi disciplinary research groups and hosts senior researchers from the region.

NBRP is funded by the Norwegian Government and is officially supported by the governments in the region.

### Research topics

Spring 2007	Development and Planning in the Post-Colonial Period
Autumn 2007	Climate Change and Health
Spring 2008	Water, Culture and Identity
Autumn 2008	Shaping Research Universities
Spring 2009	Biodiversity
Autumn 2009	The International Aid System

See [www.nile.uib.no](http://www.nile.uib.no) for more information
