Capacity Development for the CDM (1)

A thick, horizontal yellow brushstroke is positioned below the title, adding a decorative element to the slide.

- Overview
 - Donor: the Netherlands Ministry of Foreign Affairs
 - Implementing Agency: UNEP Risø Centre on Energy & Environment
 - Period: Feb. 2002 – Dec. 2005

Capacity Development for the CDM (2)

A thick, horizontal yellow brushstroke is positioned below the title, adding a decorative element to the slide.

- Main goals
 - generating a broad understanding of the CDM in the developing countries
 - developing institutional capability and human capacity of the developing countries to access the Clean Development Mechanism (CDM).

Capacity Development for the CDM (3)

- Participating countries
 - three countries each from four regions
 - Asia: Cambodia, the Philippines, Viet Nam
 - Latin America: Bolivia, Ecuador, Guatemala
 - ME & NA: Egypt, Jordan, Morocco
 - Sub-Saharan Africa: Côte d'Ivoire, Mozambique, Uganda

Asia:

**Focal Point
Agency**

Cambodia

**Ministry of
Environment**

Philippines

**Inter-agency
Committee on
Climate Change
Secretariat**

Viet Nam

**Hydro-
Meteorological
Service of Vietnam**

Latin America:

Focal Point Agency

Bolivia

**National Climate Change
Programme (NCCP)
Office for Clean
Development
Mechanism**

Ecuador

**Corporation for the
Clean Development
Mechanism – CORDELIM**

Guatemala

**Ministry for Environment
and Natural Resources**

Middle East & North Africa:

Focal Point Agency

Technical support

Egypt

**Egyptian
Environmental Affairs
Agency (**EEAA**)**

Tabbin Inst

Jordan

**Ministry of
Environment
(formerly **GCEP**)**

Morocco

**Secretariat of state for the
environment**

GERERE

Sub-saharan Africa:

Focal Point Agency

Technical Support

Côte d'Ivoire

**Ministry of Env &
Quality of Life**

**Université
d'Abobo-
Adjamé &
Sun logix**

Mozambique

**Ministry for Coord. of
Environmental Affairs**

**Univ
Eduardo
Mondrane**

Uganda

**Department of
Meteorology**

**Univ
Makerere**

Capacity Development for the CDM (4)

- Country Selection Criteria
 - Ratification of the UNFCCC
 - Ratification/Signature of the KP
 - Existence of focal agency to the CC and KP
 - Existence of national policies to promote RE & EE
 - GHG emission reduction potential
 - On-going activities of the CDM/AIJ
 - Existence of FDI framework
 - Political stability
 - Existing institutional and analytical capacity
 - Eagerness to participate in the CDM

Capacity Development for the CDM (5)

- Main tasks
 - sensitizing government on CDM
 - establishing institutional framework for the CDM projects
 - strengthening capabilities of the public and private sectors
 - creating a pipeline of the CDM projects

Capacity Development for the CDM (6)

- Implementation Strategy
 - UCCEE together with **Regional Centres and national institutions**
 - Advisory group (NL, WB, ADB, UNFCCC,...)
 - Phase I (early 2003): completion of national work plans
 - Phase II (early 2003 – Dec. 2005): implementation of national work plans

Capacity Development for the CDM (6b)

At URC : Regional Coordinator

SSA

- Regional Centres:

- 1 ENDA-Tiers Monde (Senegal) – Côte d'Ivoire
- 2 EDRC (Energy and Development Research Centre-UCT, South Africa) – Mozambique and Uganda

Capacity Development for the CDM (6b)

A thick, horizontal yellow brushstroke is positioned below the title, spanning most of the width of the slide.

- NA&ME - APEX
- LA - Bariloche Foundation
- Asia - Asia Institute of technology

Capacity Development for the CDM (7)

- Progress

- Phase I is finishing: 11 workplans completed and 1 will be ready soon
- Starting phase II
- A CDM information booklet and a project fact sheet completed AND translated into various languages
- Consultations for collaboration with other organizations such as the World Bank, UNIDO, UNDP
- www.cd4cdm.org

Capacity Development for the CDM (8)

Analytical works under development

- **CDM project guidance material**
- **Baseline scenarios**
- **Sustainable development impacts**
- **Legal and institutional framework**
- **Financial Aspect of the CDM**

Coordination with Other Institutions

- Advisory Body Invites other institutions working on capacity building for climate change: UNFCCC, UNDP, UNIDO, WB, ADB
- CF Assist-WB has shown a strong interest in the coordination of NSS program and ours: use their outputs, inviting each other to workshops, share materials and tool kits
- ADB is also ready to cooperate but need a little more concrete discussion

Reaching beyond the countries

A thick, horizontal yellow brushstroke with a textured, painterly appearance is positioned below the title, spanning most of the width of the slide.

- Regional workshops
- SSA workshop
- Dissemination of outputs

Observations & Concluding Remarks

- Different countries at different stages
- All countries are keen on taking advantage of CDM opportunities
- Synergies among participating countries desirable
- Academic and practical approaches together
- An opportunity not just for the CDM but for the long-term sustainable development of the nation
