STUDY AT BELGOROD SHUKHOV STATE TECHNOLOGY UNIVERSITY

Belgorod Shukhov State Technology University (BSTU) has signed a Memorandum of Understanding with Makerere University, to enable the two universities collaborate in the areas of research, training, and staff and student exchange. BSTU is one of the leading technological universities in the Russian Federation. It is located in the city of Belgorod in the south-western part of Russia, 600 kilometres from Moscow. Under the MoU, Makerere University, College of Engineering, Design, Art and Technology will train first year students on behalf of Belgorod University, following the curriculum of BSTU.

The students admitted to programmes of BSTU, will undertake their first year of study at Makerere University. On successful completion of the first year of study, the students will proceed to BSTU to join the second year of study.

Tuition Fees

In their first year of study, which will be undertaken at Makerere University main campus, students will pay tuition fee of UGX 1,800,000/= per semester, excluding functional fees. On joining BSTU for the second year of study, students will pay BSTU tuition fees, approximately USD 2,500 per year.

Programmes and Duration of Study

Applications for the academic year 2012/2013 are invited for study in the following programmes:

Programme	Duration
BSc. Industrial and Civil Engineering	4 years
