# Must, Nkozi, search for maiden wins

Uganda Martyrs University (UMU) Nkozi and newcomers Mbarara University Science and Technology (Must) will be searching for their first wins in the Super Eight University Football League when they clash in an anticipated thriller in Nkozi today.

UMU lost to Kampala International University (KIU) 4-1 and Makerere University 5-0 in their opener whereas Must lost to Makerere University Business School (Mubs) 4-1 and were later thrashed 5-1 by Nkumba in their own backyard last week.

Despite of the two losses, the Martyrs staged a good performance against KIU throughout the game and their coach Alex Ndibwami has expressed confidence that his side will start grinding out results soon. “We are slowly growing in the field of sports,” he said.

“I can assure you that when we start winning we will not stop.”  
Muhammad Kyagambidwa, the Must coach, however admits that his players are still new and yet to fit in his set up.
