# Nkozi resume hunt for first league win

IN SUMMARY

MUST host KIU tomorrow in Mbarara while Makerere travel to Luweero to play Ndejje.

Uganda Martyrs University (UMU) Nkozi will be searching for their maiden win in the Super Eight University Football League when they visit Nkumba in Entebbe today.

Nkumba, currently third on the log on nine points, will also be aiming to open up a two-point lead after pace setters Makerere University Business School and Kampala University shared spoils.

The table toppers game, which ended 2-2 on Wednesday and left both sides tied on 10 points apiece, is arguably the best game this season thus far.

Nkozi have lost all their three matches to Makerere University (5-0), Kampala International University (4-1) and Mbarara University of Science and Technology (4-0) but coach Alex Ndibwami is optimistic his side can change the tide. "We are still a work in progress," said Ndibwami.

"We are improving as a unit and the results will come."
