ICT for Development, Education  
& Training

Kampala  
Uganda  
May 28→30  
2014

## Information for students interested in working for eLA14

### eLearning Africa

eLearning Africa is the largest and most comprehensive knowledge sharing event for technology-enhanced education and training on the African continent. It is a forum for everyone with an interest in education and training in Africa. It offers a unique opportunity to gain invaluable insights into the evolving world of ICT enhanced learning through an exceptional, diverse and thought-provoking conference programme, as well as a large exhibition with a demonstration area. The conference is organised by ICWE GmbH ([www.icwe.net](http://www.icwe.net)) and hosted by the Ugandan Government and will take place in the **Speke Resort, Kampala, Uganda**. For more information, please visit [www.elearning-africa.com](http://www.elearning-africa.com).

To strengthen our team in Uganda, we are looking for students that can support us to make this conference a success.

### Tasks and requirements

**In order to assist us, you must be available to work from May 26 to May 30, 2014.**

**General tasks:** Provide information for participants; confirm pre-registered participants and execute onsite registrations; support workshops and session leaders and the programme team; support exhibition team; technical support.
