Makerere councilor, Bernard Luyiga is questioning the procedure used by Kampala lord mayor Salongo Elias Lukwago to eject him from Makerere university council.

According to Luyiga, Lukwago used unlawful avenues to kick him out of the council adding that he was ill advised by MUK dons whom he has been fighting for long.

Luyiga also ads that this is a big ploy by Lukwago to bring him down but vows not to bow down to his pressure though he confirms that he considers writing to the city Director to intervene in this matter.
