RE: UACE 2013 VERIFICATION LETTERS

This is to inform you that registration is a mandatory requirement of the University which MUST be done after payment of University dues as indicated in the Freshers' Joining Instructions and admission letters.

As you are aware, Uganda National Examinations Board (UNEB) has not released your UACE 2013 Pass slips.

However, UNEB and Makerere University have prepared **Verification Letters of Results for MAKERERE UNIVERSITY USE ONLY** to be used for registration purposes. Students who have not collected their Verification Letters of Results from UNEB (pink in colour) should pick their copies from their College/School Registrar(s) starting on Friday 26th September, 2014.

You are also reminded that the registration exercise for Semester One, 2014/2015 Academic year will end on Friday 3rd October, 2014.
