CALL FOR APPLICATIONS FOR COMPETITIVE MASTERS AND PhD SCHOLARSHIPS

The German Academic Exchange Service (DAAD) in collaboration with Makerere University is once again offering scholarships to Makerere University to support up to 20 Masters and 10 PhD students for 2016 intake. These scholarships are under the Makerere University Joint Application to the DAAD In-Country/In-Region Scholarships for Postgraduate Studies, Eastern Africa 2016/2017 programme, and are tenable at Makerere University.

The DRGT invites applications to compete for the 20 Masters and 10 PhD scholarships under the above program. Applicants must meet the following requirements:

- The last university degree must have been completed less than six years ago at the time of application.
- Citizenship of a country in Sub-Saharan Africa
- Bachelor's and / or Master's degree qualification with at least above average results
- Proof of admission to Makerere University to the desired degree programme or official letter assuring admission
- They should be able to complete their studies within a period of two years (for Masters degree) and three years (for PhD degree)
- Scholarships will be initially granted for one year and may be extended upon individual request and receipt of a complete application by using a form that will be provided at an appropriate time
- For PhD applicants: Staff member of a public or private university (or candidate considered for teaching or research staff recruitment). In addition to other documents, the applicant should submit a PhD proposal (10-15 pages) that demonstrates relevance to development. Please note that plagiarism will be checked!
- Eligible programmes for masters applicants:
 - Master of Science in Zoology
 - Master of Science in Information Systems
 - Master of Science in Technology Innovation and Industrial Development (MSc TIID)
 - Master of Science in Livestock Development and Planning (MLD)
 - Master of Science in Veterinary Preventive Medicine (MVPM)
 - Master of Laws (LLM)
- Eligible fields for PhD applicants: Agriculture, Environment, Watershed, Public Health, Veterinary Medicine, Natural Sciences, Computing, Engineering and Law.
- Only those study programmes/fields stated in the DAAD Letter of Offer are eligible for scholarships.
- Equal opportunities: *Female candidates and candidates from less privileged regions or groups as well as candidates with disabilities are especially encouraged to apply.*

Value of the scholarship

See information sheet and guidelines attached for additional information and requirements.

Applications accompanied by a curriculum vitae, required documents outlined in 'information sheet for applicants' and the 'Guidelines' should be submitted in soft and hard copy to the Directorate of Research and Graduate Training, Makerere University, Research and Publications Office, Lincoln Flat B5 by Friday 4th March, 2016 by 5.00 pm. E-mail for soft copies is: conference@rqt.mak.ac.ug
