RE: CUSTOMISED UNIVERSITY GRADUATION GOWNS

The Makerere University Council approved the introduction of customised University graduation gowns for Undergraduate and Graduate programmes excluding PhDs with effect from the 67th Graduation Ceremony in February, 2017.

The customized University Gown is intended to provide uniformity of the academic dress for graduands. It is professionally designed and unique with special features to rekindle the memories of this special day in your life.

In order to allow for a smooth transition, the University Management will implement the University Council resolution in a phased approach as follows:

- (i) For the 67th Graduation Ceremony, the customised gowns will be sold to graduands at the cost of **Shs. 75,000/=** on a first come first serve basis in the Basement Store of Senate Building near Crane Bank.

Note: Graduands who will not be able to secure customized University gowns are at liberty to buy other gowns from the open market as has been the practice.

- (ii) Beginning with the 68th Graduation Ceremony scheduled to take place in January 2018; all graduands will be required to procure customized University graduation gowns.
