

## INVITATION FOR CONCEPT PAPERS ON INNOVATIONS CHALLENGE/HACKATHON

Uganda National Meteorological Authority (UNMA) in partnership with United Nations Development Programme (UNDP) is organizing an “Innovations Challenge/Hackathon” for young professionals from Uganda and beyond, from the 12<sup>th</sup> to 14<sup>th</sup> June 2017, aimed at developing innovative solutions for converting the available weather and climate data into useful weather and climate information and/or solutions that will facilitate efficient dissemination of weather and climate information to the end users.

This advert serves to invite interested young professional product developers to submit concept papers on the theme: **“WEATHER AND CLIMATE INFORMATION FOR PLANNING”**

More information about the application criteria is available on the below website:

[http://procurement-notice.undp.org/view\\_notice.cfm?notice\\_id=37557](http://procurement-notice.undp.org/view_notice.cfm?notice_id=37557)

*Deadline for submission: 22nd May 2017*

*Applications submitted after the above date will not be considered for evaluation.*
