The list shows that the university has this year admitted over 27,000 students on the private scheme in addition to the 4,000 who are sponsored by the Government.

A quick analysis of the list further shows that Mengo Secondary School and Lubiri Secondary School have dominated this year's Makerere University private admissions list released yesterday.

Mengo SS had 203 students followed by Lubiri with 192 students admitted for the 2012/2013 academic year which starts on August 11.

St. Mary's Kitende has been toppled from the number one place, relegating it to the third place with 183 students admitted to Makerere University.

In terms of distracts, the usual suspects Kampala and Wakiso have yet again dominated the admission list sharing more than a quarter of the admitted students.
