

THE CERTIFICATION PROCESS

In today's competitive market we need more innovative approaches to solving the numerous challenges our society and market face. It is therefore of utmost importance to seek continuous growth in your area of expertise, and to be able to demonstrate your professional development and career advancement. Our ISO Training Courses and Certifications provide both the organization as a whole and individuals the benefits that make the cost and time of obtaining Certified Credentials a worthwhile process.

SELECTING THE RIGHT COURSE

Our training courses are divided into two main categories: Management System Courses and Manager Courses which are based on ISO standards and best practices in the industry.

<u>Management System Courses</u>	<u>Who should attend</u>	<u>Duration</u>
Introduction	Individuals who wish to gain or expand their knowledge on the relevant standard or field	1 day trainings
Foundation	Individuals who wish to learn the basis of implementing a management system and its processes	2 day trainings
Lead Implementer	Responsible persons for implementing and managing a management system in their company	5 day trainings
Lead Auditor	Responsible persons for auditing and monitoring management systems	5 day trainings
<u>Manager Courses</u>	<u>Who should attend</u>	<u>Duration</u>
Introduction	Individuals who wish to gain or expand their knowledge on the relevant standard or field	1 day trainings
Foundation	Individuals who wish to learn the basis of implementing a management program and its processes	2 day trainings
Manager	Managers in the relevant field who wish to master the fundamental principles and concepts of a management program	3 day trainings
Lead Manager	Managers in the relevant field who wish to master their implementation and management expertise	5 day trainings

Decide which certification is right for you and/or your team

Each certification has specific education and experience requirements. To determine which certification product is right for you, you must verify all eligibility requirements for the different certifications as well as your professional needs.

EXAM	CREDENTIALS	PROFESSIONAL EXPERIENCE	AUDIT EXPERIENCE	PROJECT EXPERIENCE
FOUNDATION	Foundation Provisional Manager			
LEAD MANAGER	Manager	2 Years (1 in the specialized field)		200 Hours
