Makerere University

24th July 2019

Dear Students,

RE: IMPORTANT DATES

I welcome you all to the University for a new academic year 2019/20 and in a special way the first-year students who are joining us to further develop your careers.

I wish to advise and warn especially first years to deposit all your fees as received from your parents and sponsors to any bank of your choice at the University and not to delegate anyone to pay for you.

With the new system, a student can pay via any commercial bank of their choice that can use URA platform including the Stanbic Bank, UBA, DFCU Bank, Centenary Bank and Post Bank which have branches at the University.

Please take note of the following:

1. All Government sponsored students must enroll immediately on AIMS system and submit their personal bank accounts to their Hall Wardens to enable processing of food and living out allowances. **Only enrolled students will be paid their student allowances.** You are therefore advised to enroll as soon as possible.
2. The fees policy requires that a continuing student should pay atleast **Ugx.200,000** to help the University run and this is expected to be paid by **30th August 2019** beyond which a surcharge of **Ugx. 20,000** shall be levied.
3. **18th October 2019** (end of 10th week) is the deadline for free enrollment beyond which **Ugx.50,000** will be levied.
4. **1st November 2019** (end of 12th week) is the deadline for fees payment beyond which a surcharge of **5%** on the **outstanding balance** will be levied.

These are important dates you should look out for.

I wish you the best as you pursue your career.

Sincerely,

Evarist Bainomugisha
