ACADEMIC REGISTRAR'S DEPARTMENT
FRESHERS ORIENTATION 2020/2021 ACADEMIC YEAR

Circular to All First Year Students

Introduction

First Year students (Freshers) are by tradition given an "acclimatization" period of normally one week which is referred to as the "Orientation Week". The Freshers report on Campus one week earlier than the Continuing students and during this week they are introduced to the key facilities in the University as well as other important aspects of life at the University.

Schedule of Semesters for Academic Year 2020/2021

Orientation Week:

Getting used to a new place can be pretty daunting, but that is what orientation week is all about; getting to know your surroundings, meeting students and staff members. This makes you feel comfortable enough to hit the ground running when the semester starts. It is a great chance for you to familiarize yourself with the University.

Monday 1st to Saturday 6th February, 2021 (6 Days) will be the Orientation Week (non-residential) for all Freshers at Colleges in line with the COVID 19 SOPS following a programme drawn by each college and thereafter Teaching and Learning will proceed via ODeL.

The following officials will make presentations which will also be put on the university website www.mak.ac.ug;

- (i) Academic Registrar
- (ii) Dean of students
- (iii) Director University Health Services
- (iv) University Bursar
- (v) Director Counseling and Guidance Centre
- (vi) Director DICTS
- (vii) Director Gender Main Streaming
- (viii) Ag Director Legal Affairs
- (ix) The Principal Games Tutor
- (x) Chief Security Officer

After the orientation programme, first year students will undertake an Open Distance and e-Learning education model (IODel/Blended Learning) subject to further guidance from government.

Each student therefore, MUST have a laptop computer as one of the essential tools for study purposes for the programme offered.

In the meantime, it is important that all first year students prepare adequately to utilize the ODeL/Blended Learning approach.

Semester One

Saturday 6th February, 2021 to Saturday 8th May, 2021 (13 Weeks)

Semester One Vacation

Saturday 8th May, 2021 to Saturday 15th May, 2021 (1 Week)

During the Orientation week, arrangements are made to enable the Freshers meet and be addressed by Key Officers, Wardens and Student Leaders who welcome the students centrally and at their respective Colleges and Schools.

Arrangements are also made to enable the Freshers acquaint themselves with such key facilities at the University like the Library, University Hospital, Games and Recreation Facilities etc. Freshers are expected to take advantage of the week to survey and acquaint themselves with the general Campus lay out. Another major activity during the Orientation Week is Registration.

All Freshers must ensure that they enroll and register first centrally and then with each of their respective Colleges/Schools/Departments/Halls/University Hospital.

- N.B.** (i) The above is a tentative programme pending communication from government on opening of School and Universities.

Change of Programme/Subjects**(a) Change of Programme**

Since selection for specific programmes was made according to each candidate's performance and order of programme choices, taking into account the available subject combinations and time-table limitations, there is normally little need to change the programme or subjects. However, some places become vacant when some of the students admitted do not take up the offers. Such places are filled through the change of programme/subjects.

Change of programme will be online. Each student who may wish to change his/her programme/subjects is required to pay an application fee of Shs.6,000/=.

(b) Change of Subjects

Students in the College of Humanities and Social Sciences, Natural Sciences or the College of Education and External Studies may wish to change their subjects. Change of Subjects will be done online on payment of Shs.6,000/=.

Students should be aware that changing one subject may result in a change of School. Before students apply to change their programmes, School and Subjects, they are encouraged to seek advice on the cut-off point(s) for programmes, requirements for specific subjects and possible subject combinations.

Students are notified and warned that changing a programme or transferring to another subject or School without proper authority will lead to discontinuation from the University.

A student who has been permitted to change his/her programme or subject(s) is issued with a letter stating so, and on receipt of such a letter that student should complete the ACCEPTANCE FORM and return a copy to the Undergraduate Admissions and Records Office (Room 303), the former and the new College/School and ICT Office (Level 6, Room 615) Senate Building.

The change of programme/subjects will be done online from Monday 1st February, 2021 to Friday 12th February, 2021.

N.B: It is advisable that only those students who meet the cut-off points for the desired programmes may apply.
