RE: THE 71ST GRADUATION CEREMONY

At its 169th Meeting held on 24th March, 2021, the Senate approved the proposal from the Ceremonies Committee to host a blended Graduation Ceremony. This is therefore to inform you that the 71st Graduation Ceremony will be a "blended" one, with a few university officials, Ph.D graduands, Masters Graduands and First Class undergraduate graduands physically present. The rest of the graduands and parents/guardians will attend virtually. It will be live on television and transmitted on all Makerere University social media platforms. The ceremony is scheduled to take place from Monday 17th to Friday 21st May, 2021.

According to the Standard Operating Procedures (SOPs) crowd gathering in one place is prohibited. It is against this background that physical attendance will only be limited to the following categories:-

- Ph.D Degree Graduands
- Masters Degree Graduands
- First Class Honours Degree Graduands

Please note that all graduands' names will be read out during the live television coverage and live streaming on social media platforms. The students who take an oath from the College of Health Sciences and College of Veterinary Medicine, Animal Resources and Bio-Security shall take the oath online.

The graduation fees for the 71st Graduation Ceremony are as indicated below:-

	<u>Ugandans/East Africa</u>	<u>International Students</u>
