## THE OFFICE OF THE UNIVERSITY BURSAR

7<sup>th</sup> September 2021

To All Students

Makerere University

Dear Students,

### RE: TUITION PAYMENT FOR CONTINUING STUDENTS

The University is currently transitioning from the AIMS system to the ACMIS system. This means continuing students are unable to register and make tuition payments at this juncture.

It is envisaged that the student portals of ACMIS, will be activated by the Directorate for ICT Support (DICTS) this week and DICTS will communicate accordingly with the student community on activation of their accounts.

The Senate and University management agreed that continuing students should proceed and sit for their forthcoming examinations. The payment of tuition balances and registration will be made after the ACMIS student portals have been activated. Examination results will only be accessed after students have registered and cleared their tuition balances on the ACMIS system.

This is therefore, to let continuing students know that they can proceed and do their examinations but immediately register and make tuition payment as soon as DICTS communicates with the student community about their activation.

Yours Sincerely,

Evarist Bainomugisha

University Bursar
