

MAKERERE

UNIVERSITY

59<sup>TH</sup>

INDEPENDENCE DAY

As we celebrate 100 years of excellent service to humanity, Makerere University is committed to supporting the socio-economic development of Uganda through research and innovations. Apart from producing the first electric car and the first fully indigenous diesel engine in Africa, we will continue with cutting edge research in engineering, agriculture, health sciences, veterinary medicine, economics, humanities and all other disciplines.

We recommit our allegiance to our beloved Country and congratulate our Visitor, H.E. President Yoweri Kaguta Tibuhabwe Museveni and the entire NRM leadership, the Rt. Hon. Speaker and all Members of Parliament, His Lordship the Chief Justice and the entire Judiciary, our Chancellor, the Chairperson and members of Council, the Management and staff of Makerere University, as well as all the People of Uganda on the 59<sup>th</sup> anniversary of the Independence of our beloved motherland.

**Long Live Uganda, Long Live Makerere University!**
