Re: **Contravention of SOPs during Guild Elections activities.**

This is to bring to your attention that Makerere University Management has noticed a serious breach of Covid-19 SOPs during the guild elections activities. The breach is characterised by crowding, processions and noise by aspiring candidates and their supporters.

This kind of behaviour contravenes the Makerere University guidelines for conducting a blend of electronic and physical guild and Senior Common Room (SCR) elections during the period of the Covid-19 pandemic which stipulates that all campaigns will be virtual (online) because of the covid-19 situation. To deepen your understanding of the guidelines please visit <https://www.mak.ac.ug>.

This is therefore to reiterate the importance of protecting people's lives against the spread of Covid-19. University Management will have no option but to disqualify any candidate that shall be involved.

Please comply with electoral guidelines in order to have safe and successful campaigns and elections.
