Makerere University

Dear Students,

DEFACING UNIVERSITY ENVIRONMENT

1. It has been noted that some students intending to stand for positions in the Guild Leadership have started defacing the University environment with posters and fliers of the aspiring candidates especially on roads, perimeter walls and road signage.
2. Please note that defacing environment is against the University Regulations as per article 71 Section 1 c & d.
3. The purpose of this communication is to ask all intending candidates to desist from defacing and/or destroying the University environment/property during the campaigns and to ask the persons who have done so to remove their names from where they have been painted.
