**CONDEMNATION OF VANDALISM AND DESTROYING OF PROPERTY DURING  
GUILD ELECTION ACTIVITIES**

It has been reported that some wrong elements among our students, while on the campaign trail on 10<sup>th</sup> November 2021 got involved in unauthorised disruptive procession and destruction of property, contrary to **Section 4 (d) of the Makerere University Students Guild Constitution (Elections) Regulations No 1 of 2018**, whose objective is to prohibit hooliganism and other negative and or offensive conduct by aspiring candidate and or their supporters. This was unfortunate and unacceptable.

The purpose of this letter, therefore, is to condemn those acts of indiscipline and to caution that once those responsible are identified, they will be personally held accountable according to the University Regulations.

All contestants and campaign managers must ensure that all their camps follow the laid down procedures.

Please comply with the Guild Electoral policies in order to have safe and successful elections.
