

**CELEBRATING 90 YEARS OF MAKERERE UNIVERSITY:
LEADERSHIP AND INNOVATIONS TOWARDS AFRICA'S
TRANSFORMATION IN THE 21ST CENTUARY**

Almighty God,
We cry out, Ebenezer! For this far you have brought us.
We give you our most and humble thanks
For all the good work out of this great University,
May your name be glorified and honored

Gracious God, Father and the Son and the Holy Spirit,
Bless all the dreams and goals of Makerere University.
To be a leading Institution in transformation of nations,
Through raising innovative leaders of integrity.
Shower your grace on our efforts to reach those goals.
Motivate all students to seek wisdom:
through conversing, writing, and criticizing;
through exploration and imagination.
Inspire our faculty with effective ways
to touch the minds of the young
with insight into responsible leadership skills.
Help our faculty, administrators and staff
to foster learning, research, integrity and faith.

Watch over our alumni and friends;
encourage them to support Makerere University generously.
In our quest for physical, intellectual,
moral and spiritual transformation.
In our city and in our country,
help all people to live in safety
and to find productive work
so that they can care well for their families.

Eternal God,
fount and source of all authority and wisdom,
hear our prayer for those who govern us.
Increase to our *President, Yoweri Kaguta Museveni* grace,
wisdom and skill, imagination and energy;
as the symbol of loyalty and unity
for all our different peoples;
give to the members of Parliament
vision, understanding and integrity,
grant them the spirit of unity and patriotism
that all may live in peace and happiness, truth and prosperity;
as we rededicate our beloved country to you
In honor of our advocate and mediator, Jesus Christ. **Amen**
