Makerere University College of Computing and Information Sciences (COCIS) is the main ICT Training, Research and Consultancy Centre in Makerere University. The College has six Academic departments comprising of the Department of Computer Science, Department of Networks, Department of Information Technology, Department of Information Systems, Department of Library and Information Sciences, and the Department of Records and Archives management.

In addition to the mainstream degree programmes, COCIS has a specialized Center for Innovations and Professional Skills Development (CIPSD) which delivers state-of-art training in ICT e.g. the Cisco Networking Academy for Cisco related courses, the Microsoft IT Academy Program for Microsoft related courses, International Computer Driving License course, Oracle Certified Training center for Oracle, Linux and Unix Training center. The College is also an authorized Testing center, operating under PearsonVUE and Kryterion. Listed in the table below are the courses currently offered at the Center with their next start dates, duration, and cost.
