

LEVERAGING 100 YEARS OF EXCELLENCE
IN BUILDING A TRANSFORMED SOCIETY

TRAINING & MENTORSHIP OPPORTUNITY

With the support of the University Administration Support Program (UASP), Makerere University College of Health Sciences, School of Public Health (**MakSPH**) and Dar-es-Salaam University College of Education (**DUCE**) are pleased to announce a training & mentorship opportunity for Early Career Researchers (ECRs) interested in learning how to write successful grant applications.

Eligible applicants are ECRs within Makerere University College of Health Sciences and DUCE, who are within 10 years of completion of their PhD.

Training sessions will take place between May and October 2022. Actual dates of the sessions will be communicated in due course.

Interested ECRs should **APPLY** at:
