University Examinations for Semester One 2021/2022 will commence on Monday 25th April, 2022 at 8.00 a.m. All students are encouraged to follow the Examinations Timetables issued by their Colleges and Schools to avoid unnecessary disruptions and inconveniences.

All students are expected to get enrolled and be registered after payment of the requisite fees. Those who have not paid fees, are reminded to settle their tuition/fees obligations to the University prior to the commencement of examinations. Students who have paid fees should generate a deposit/receipt from the system and present it for examination entry.

Students who have successfully enrolled and registered for the current semester, should print the Examination Permit from their student portals and present them to the Examination Invigilators in order to sit for Examinations.

Students who have issues that do not allow them pay fees, enrol and register, should contact their respective College Registrar's for solutions.

Students are strongly warned to avoid all temptations to involve themselves in cheating in Examinations or such other forms of Examination Malpractices since the penalties are severe and may lead to suspension or dismissal from the University.

In the interest of safeguarding the integrity of our University Examinations and protecting the glorious image of this great institution, I strongly entreat you to sit the Examination in strict observance of the set rules and regulations so that we all Build for the Future.
