

EMILIO MWAI KIBAKI

1931 – 2022

Makerere University is proud of the legacy of her Gallant Alumnus, H.E. Dr. Mwai Kibaki. We believe that he lived a life that resonated with the values upon which Makerere University was founded.

We fondly remember when in August 2012, H.E. Dr. Kibaki paid us a visit as Chief Alumnus, as Makerere University celebrated 90 years of existence.

We had hoped that H.E. Dr. Kibaki would join us once again, as we celebrate 100 years of Makerere University this October, but he finished this earthly race, a life well lived.

We express our sincerest condolences to his family and all the people of Kenya.

Rest well Mzee Emilio Stanley Mwai Kibaki.
