

Africa Strategic Research and Education Partnerships Fund

The Africa Strategic Research and Education Partnerships Fund aims to help kick-start new, innovative research and education collaborations that might not otherwise be pursued. The Fund promotes and supports early-stage collaboration among academics, researchers and students at Imperial, [the African Institute of Mathematical Sciences \(AIMS\)](#) and/or [members of the African Research Universities Alliance \(ARUA\)](#).

The fund has two streams:

1. Research
2. Online experiential education

Applicants are invited to apply for either one stream or a combination of both. There is a maximum of £10K available per project (including dual stream projects).
