Change of Programme/Subjects, 2022/2023 Academic year

(a) Change of Programme

Since selection for specific programmes was made according to each candidate's performance and order of programme choices, taking into account the available subject combinations and time-table limitations, there is normally little need to change the programme or subjects. However, some places become vacant when some of the students admitted do not take up the offers. Such places are filled through the change of programme/subjects.

Change of programme will be online. Each student who may wish to change his/her programme/subject is required to pay an application fee of Shs.6,000/=.

(b) Change of Subjects

Students in the College of Humanities and Social Sciences, Natural Sciences or the College of Education and External Studies may wish to change their subjects. Change of Subject will be done online on payment of Shs.6,000.

Students should be aware that changing one subject may result in a change of College. Before students apply to change their programmes, Colleges and Subjects, they are

encouraged to seek advice on the cut-off point(s) for programmes, requirements for specific subjects and possible subject combinations.

Students are notified and warned that changing a programme or transferring to another subject or College without proper authority will lead to discontinuation from the University.

A student who has been permitted to change his/her programme or subject(s) is issued with a letter stating so, and on receipt of such a letter that student should complete the ACCEPTANCE FORM and return a copy to the Undergraduate Admissions and Records Office (Room 303), the former and the new College/School and ICT Office (Level 6, Room 615) Senate Building.

The change of programme/subjects will be done online from Monday 17th October, 2022 to Friday 28th October, 2022.

- N.B:**
- (i) It is advisable that only those students who meet the cut-off points for the desired programmes for 2022/2023 Academic year may apply.
 - (ii) Information, Academic Policies and Procedures can be accessed from the University website - www.mak.ac.ug
 - (iii) Continuing privately sponsored students admitted for 2022/2023 Academic year on either Government or Private sponsorship will start in Year One and are advised to apply for cancellation of admission on earlier programmes if they are to take up the new offer this year.
