MICROGRANT FUNDING: OPEN!

DEADLINE:
15 JAN
2023

RedR UK, in collaboration with UIPE and CEDAT at Makerere University, will be awarding micro grants to humanitarian engineering projects in Uganda.

ABOUT THE GRANTS

The grants will be between GBP1,000 – GBP3,000, up to 3 months long, and must be completed before June 2023. Awardees will receive dedicated coaching from an expert engineer as they implement the project, as well as support from UIPE and CEDAT.

We will be awarding funding to between 6 and 8 projects.

APPLYING FOR A GRANT

To apply for a grant, you will need to complete the application forms attached, and submit them via email to engineering.skills@redr.org.uk alongside your budget and other supporting documents, before **15th January 2023**.

All guidance and support is given within the application form and relevant documents. However, if you have any questions about the scheme you can email engineering.skills@redr.org.uk or executivesecretary@uipe.co.ug

If you would like support understanding how to fill in the application form, you can also contact jorge.sanchez-chiara@redr.org.uk
