Thursday, 06 April, 2023 **OFFICE OF THE DEAN OF STUDENTS**

All Students  
Makerere University

Dear All,

## RE: CONTRAVENTION OF MAKERERE UNIVERSITY STUDENTS GUILD REGULATIONS

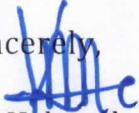

It has come to the attention of our office that some of you have been organizing physical campaigns in contravention of the Makerere University Students Guild Statute 2022 Article 10 (b) that stipulate that; *Student election at the University shall be virtual unless otherwise determined by the University Council.* This is a serious violation and puts the safety of our students at risk. You are reminded that all electoral activities must be conducted in accordance with the University Rules and Regulations.

Last night, a student was severely assaulted and injured following violence that occurred during one of the physical electoral activity at Mitchell Hall. This incident is unacceptable and any form of violence or intimidation during the electoral process will not be tolerated. We urge all aspirants to conduct themselves with utmost professionalism and respect for their fellow students.

As a reminder, your attention is drawn to the Rules and Regulations governing Students Guild Elections. Additionally all electoral processes must be in line with the Road map provided by the Students Guild Electoral Commission. Those found to be in violation of University Regulations will face disciplinary action including disqualification from the Guild race.

You are advised to prioritize the safety and well-being of our students during this electoral process. Let us work together to ensure a peaceful and successful elections.

Yours sincerely,

  
Winifred Kabumbuli  
DEAN OF STUDENTS
