**THEME: GEOMATICS EXCELLENCE FOR A
MODERN SOCIETY - SUSTAINABLE FIT FOR
PURPOSE SOLUTIONS FOR THE 21ST CENTURY**

The Department of Geomatics and Land Management at Makerere University in Kampala Uganda is proud to announce the 7th Advances in Geomatics Research Conference happening on 17th and 18th August 2023.

The 7th Advances in Geomatics Research Conference (AGRC) invites the submission of abstracts on topics related to Geomatics research such as

GIS Science & GIS Applications
Remote Sensing Applications
Photogrammetry & LiDAR Applications
Cartography
Spatial Information Management
GPS/GNSS Applications
Cadastral & Land Management
Geomatics Professional Standards & Practices

Engineering & Mining Surveying
History of Surveying & Measurement
Geomatics Education
Hydrographic Surveying
Positioning & Measurement
Location-based Services
Integrated Spatial Planning

All abstracts will be reviewed by the organizing committee and evaluated based on their relevance to the conference theme, originality, and scientific quality. Authors of accepted abstracts will be invited to submit full papers for publication in the conference proceedings. Submit the abstracts via the conference website <https://www.agrc2023.com>

Call for Abstracts: 13th Mar -13th May, 2023
Acceptance of Abstracts: 17th June, 2023
