

# Eastern Africa FAIMER Regional Institute

The Eastern Africa FAIMER Regional Institute (EAFRI) invites applications for the 2023 intake.. EAFRI welcomes its pioneer class of Fellows on 7th August 2023. Makerere University College of Health Sciences in Kampala, Uganda, is the EAFRI host institution, and Mbarara University of Science and Technology Faculty of Medicine in Mbarara, Uganda, is the regional partner.

## Who can Apply:

Applications for EAFRI are open to health professions educators throughout East Africa including Burundi, the Comoros, the Democratic Republic of Congo, Djibouti, Eritrea, Ethiopia, Kenya, Mauritius, Rwanda, the Seychelles, Somalia, South Sudan, Tanzania, and Uganda. EAFRI will also consider applicants from other regions of Africa.

Interested applicants should submit their applications using the link below.

**EAFRI Application Page: <https://apply.faimer.org/prog/eafri/>**

**Deadline: 7th July 2023**

## Curriculum:

EAFRI is a two-year, part-time online fellowship program. The curriculum is based on the core curriculum of the International FAIMER Institute, and it is adapted to the local context. It is designed to teach education methods, leadership and management, education scholarship and research, and project management and evaluation. Each participant is required to propose and implement an education innovation project that is supported by their home institution. EAFRI participants, known as FAIMER Fellows, become part of an international network of more than 2,000 FAIMER Fellows, developing strong professional bonds with other health professions educators around the world.

*EAFRI provides a solid foundation for training competent human resources for health to advance quality health care in Eastern Africa.*

**Samuel Maling**

Associate Director, EAFRI;  
Sub-Saharan Africa FAIMER Regional  
Institute (SAFRI), 2008

*EAFRI is a great opportunity for building the capacity of faculty in the planning, implementation, and evaluation of programmes for health professionals. This will transform the health workforce as well as the health system in East Africa"*

**Sarah Kiguli**

Director, EAFRI;  
International FAIMER Institute, 2004

## Faculty:

A mix of international faculty and senior health professions from East Africa design courses, teach, provide support for EAFRI, and serve as project advisors for Fellows' innovation project design and implementation.

## Free Tuition:

Tuition for EAFRI is free, and the application process is competitive. The selection committee will choose 12-15 Fellows.
